Welcome from the President Frank Horan

The National Cage Bird Show Presents the

Welcome back to Knoxville for the 76th year of the National Cage Bird Show, NBS. The past months have been filled with challenges. We have had to look at many things and all from different angles. Then adapt and develop, or like the dinosaurs go extinct. You know, some dinosaurs became birds. This year's exhibition space is more in keeping with the type of location we have become accustomed to. A big open convention hall, perhaps less intimate, but you know ... adapt.

Feedback from last year did not go on deaf ears. We have tried to get as many of your suggestions into our irregularly shaped box as we could. The hotel is closer to the venue, or should it be the venue is closer to the hotel. Everything takes time and very small steps. I hope you enjoy the new exhibit venue. Our divisions have changed slightly. A Division was lost because of continuously low numbers so it was combined with another. But balance remains because another variety was awarded a division. Timbrado songbirds have been placed on hiatus. We tried to coordinate with the breeders and exhibitors but unfortunately the group was unable to pull their ranks together in time to have a division this year. We look forward to seeing these breeders and exhibitors at future NBS Shows.

One of the biggest abstract notions we faced, and had to get our minds around, was discovering the possibility that you can potentially call yourself something, appoint yourself in charge, do a little paperwork, join an international body and, because of what your organization's mission statement and name is; become the voice of every bird club and every exhibitor in the USA. All this, without input from you, the everyday Joe American exhibitor. Can you imagine? Costs to maintain a standard of exhibition and celebration of friendships have risen. We are all watching the bottom line. I hope that you will enjoy yourselves, I know with your support we can become birds, overcome, adapt and create a new hay day. To the future of all bird fancies, obscure and mainstream, keep the passion and this event alive. Develop and breed the best you can in the coming year, challenge your fellow enthusiasts with the resulting improvements and come back next year to see if you were successful!

Your fellow exhibitor,
Frank Horan, NBS President

SERVICE RECOGNITION AWARD

This award was established in 1981 to acknowledge those who have given notable support to the NBS.

- 2021 Mr. Jim Pickel has served as a respected judge of type and color canaries focusing on educating exhibitors and the audience across the USA and Canada. He attends many midwestern bird fairs with a display educating people on canary breeding and exhibition at the National. He has supported NBS as a BOD member, exhibitor (winning two Kelloggs) and judge. His wife Vicki shares his love of birds, serving as a most competent secretary in the OV Division and helping Jim in promoting the National.
- 2022 Mrs. Regina McCarty is recognized for her support of NCBS as an exhibitor, judge, and friend of all birds. She is a prominent authority on Gloster canaries and has had best Gloster at many shows including NBS. She has judged both the Gloster and Fife divisions at the National. Regina is known as the Gloster lady, mini drinker lady and more recently the bird band lady. NBS is proud to recognize her service to the National.

SHOW RULES

1. **Only National Bird Show members may enter birds.**
2. Advance entry fee shall be \$5.00 per cage with a maximum of \$150/member.
Onsite entry fee shall be \$6.00 per cage with no maximum.
Entry fee for sale birds shall be \$2.00 per bird with a maximum of \$50/member.
3. Separate entry forms are required for each Division.
Exhibitor assumes responsibility for legality of his entry.
Entry forms and cage tags will be available starting 10am THURSDAY.
4. Entry forms must be completely filled out and used as follows:
White: to Show Secretary table by 7pm Thursday.
Yellow: Exhibitor copy for checkout on SATURDAY.
All white copies must be to Show Secretary table by 7pm Thursday.
No forms or tags will be sold Friday, sale birds excepted.

Birds will be received in the show hall 2pm to 7pm THURSDAY.
Entered birds may be brought to the show hall between 6 and 7am Friday, however, these must be in the secretary books Thursday. All birds will be on the benches by 7am Friday, judging starts at 8:15am. American Singers require all entries be made prior to 9pm Thursday.
5. All entries must be bona fide property of exhibitor at least one year (365 days) prior to the show. To compete for the Higgins Trophy all birds must be bred and banded by the exhibitor except for Finch and Parrot divisions. These need not be banded. Higgins winners and band numbers may be published in the NBS newsletter. Band numbers will be verified with the division secretary and Scannell coordinator before leaving the show bench.
6. To compete in unflighted (young) classes all entries must be bred and banded with a recognized, current year, traceable and closed band.
7. All birds that are flighted, or with open bands or unbanded, or with unrecognized or non-readily traceable bands, must compete in the old (open) classes.
8. Any bird purchased within one year from a judge cannot be shown at NBS when that judge is officiating in that division at the show. No judge/exhibitor nor his partners or family members can win any award he has participation on the decision of the winner.

SHOW RULES (CONTINUED)

9. Higgins winners from all song canary divisions will compete for the Best Song Canary in Show award. All other Higgins winners compete for the Scannell Trophy. Higgins winners in Finch, Parrot, Peachfaced Lovebirds, Rare Lovebirds and Cockatiels will compete for the Charlie Anchor Award for Best Foreign Bird.
10. Only one bird in a cage may be shown except in Finch Pairs section.
11. Every possible attention will be given to the care of the birds, but the National Bird Show, Inc. and sponsoring clubs will not be held responsible for any accident, mistake, loss, theft or damage that may occur to any exhibit.
12. All birds must be checked on entering and leaving the show room. After birds are entered and checked-in they are under the care of the show management. They are **not to be handled except by direct permission** of the show manager. If drinkers or feeders are removed for judging by the stewards they should be replaced by the stewards. If this has not been done the exhibitor should notify the show management and have it done by those responsible for handling the exhibit.
13. No birds, drinkers or feeders shall be removed from their individual cages, except by the Chief Steward. While entered in the show entries are under the control of NBS.
14. Show management has the right to add, combine or withdraw classes as the number of entries dictates.
15. No identification, signs or display advertising will be allowed on or about any cage until judging has concluded.
16. Special awards given for club bands or membership will not be awarded unless exhibitor's eligibility is indicated on the entry form. All special awards will be judged and/or presented after division judging has been completed.
17. Judging by daylight or Vitalite or equivalent as the situation dictates.
18. Colorbred canaries will be judged by the point system.
19. Cage bottoms should be covered with a regular seed mixture relative to the particular species. Song birds use white paper.

SHOW RULES (CONTINUED)

20. No steward is authorized to reclassify an entry. Only a judge has the authority to reclassify an entered bird.
21. The judge has the right to withhold awards if the judge feels the bird does not warrant the award. The Scannell Coordinator is to check bands after judging for bred and banded by the exhibitor. During judging, judges are not to use cell phones. English language is to be used to communicate with stewards, secretaries, award helpers and gallery, either by the judge or through an interpreter. Apprentice judging is not permitted at the NBS.
22. Decisions of the judge are final.
23. Cut-off time for judging is 7pm Friday. If the Division is not finished the judging will resume Saturday morning at 7am.
24. Entries shall be checked out at the time posted on the itinerary.
25. The NBS Board of Directors reserves the right to interpret all rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto. It also reserves the right to amend and add to these rules. All complaints must be written and submitted with a \$100.00 fee to the Board prior to the NBS general meeting.
26. Youth Division entries are governed by all rules listed above and Youth Division rules which are listed in Division 19 - Youth.

MEET YOUR 2024 NBS JUDGES

DIVISION 1 - BORDERS - JOHN FURLEY

I've been keeping Borders for over 40 years. My father, Tom and I, showed together for years as T& J Furley, with great success. Sadly, my father passed-away 10 years ago and I continued breeding and showing top quality birds. I've won all the all-Border shows in Ireland on numerous occasions. The Irish Border Fancy Show is by far the biggest show in Ireland, and I've had the good fortune to win it on numerous occasions. I've also won the Northern Ireland Border, Mid Ulster Border, East Antrim Border and all the cage bird shows. I've also won some shows in the UK the Merseyside Border, North Wales Border. The Border Fancy Show and North Staffs.

This will be my first time to judge in America and it is a great honor to be invited. I am looking forward to meeting up with the American fanciers.

DIVISION 2 - GLOSTERS - DARREN GILL

I have kept Gloster Canaries since I was 11 years old, I joined Maidenhead CBS and met a man called Arthur Eaton. He set me up with my first proper Glosters. Arthur's stud was based on birds from Colin Mason. I later purchased some Glosters from Colin, who was very successful at this time and was winning his fair share of all Gloster shows and Best Gloster at the 1987 English National. By the 1980's, I was writing to Nick Barrett, eventually in 1991, I visited Nick & Annalain Barret, a dream to any Gloster Enthusiast, Nick and Annalain during the 1990's had easily the best stud of Glosters I had the pleasure of seeing, they were in a different class! During my 40+ years keeping Glosters, I conservative estimate, I have been very lucky to win at least 100 Best Gloster titles at specialist all Gloster events. More recently, I have been in partnership with a Gentleman named Brian Skeffington. We have been very fortunate to win the UK IGBA Champions League, 2 years in a row (2021 & 2022) based on points received from all the UK, all Gloster events. It is a great honor and privileged to be selected to judge the Glosters, at the American National Show. I look forward to meet and visit with many fellow enthusiasts!

DIVISION 3 - TYPE - KEITH FERRY

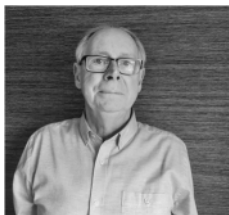

I am 74 years of age, retired and have been married to my wife, Margaret, for 52 years. We have a son, a daughter, a grandson and granddaughter who live just a few miles away from us and both grandchildren will be studying at their universities this year.

After my 5 years of Novice Norwich status and jumping up to the Champion section it was not long before I started to win with my stud of birds at major shows in the UK, the most prestigious being the English National, taking Supreme Exhibit 1986 with a flighted variegated Buff Hen. The last 6 years have also been very good for me and my birds on the show bench, taking Best Canary 3 times at the English National, one of which (2021) going on to take Best Exhibit in Show.

Judging engagements have taken me to Europe, Turkey, South Africa, Canada and America. This will be my 5th time judging the American National and I feel honoured to have been asked again and it will be my pleasure to take on the adjudication of the Type Canary section. I would also like to take this opportunity to wish all exhibitors the best of luck and look forward to seeing friends, old and new, in Knoxville.

DIVISION 4 - OLD VARIETY - KEVIN McCALLUM

I have kept birds since 1966; I became an Old Varieties Canary Association (OVCA) Panel Judge in 1982. I was elected as General Secretary (OVCA) in 1987 a position I still hold.

Foreign Birds kept include Hornbills, successful in breeding 4 species.

At present I keep and Judge various breeds of Frilled Canaries, Lancashire, Belgian, Gibber Italicus and Crests, Lizards. In the past I have also kept Scotch Fancy, and Irish Fancy. I have Judged most breeds of Type Canaries, Glosters, Fifes etc, plus Foreign Birds

DIVISION 5 - IRISH FANCY - JOHN DOWLING

I was born in London in 1954 to Irish parents who like a lot of people at that time had to immigrate to find work. After a few years we returned to Ireland and County Cork and I have been in that area since. Around that time my father, Liam, was pretty famous in the in the country as he won several All Ireland Hurling Finals Cork.

My Judging career started in in late 1980's and since then I have placed the awards at every Show in Ireland on many occasions, unfortunately many of those clubs have gone out of business. I have had the pleasure of Judging the four Nationals at our side of the world The Irish (1995), English (1994, 2001, 2008) and Scottish (2001). In fact, at the English National in 1994, was the first time the Irish Fancy Canary had its own section.

I am honored to be asked by the Irish Fancy Canary Club of America to judge the inaugural Irish Fancy Division at Knoxville, Tennessee this November. I would also like to thank the IFCCA committee and Chairman Niall Hyde for the invitation.

DIVISION 6 - FIFE FANCY - ADAM RAINE

Adam Raine is the Chair of the Fife Canary Council, he also sits on the committees of the Canary Council, the Midland Fife Fancy Canary Club, and his local cage bird society.

His passion for canaries started on his tenth birthday, when his father bought him a pair of Glosters - his father being a breeder, exhibitor and panel judge of the Fife Fancy Canary during the early 1980's.

Aside from a short break from birdkeeping when his children were young, Adam has bred canaries for over 40 years. He is a Fife Canary panel judge in the UK and recently won Best Champion Fife at both the English National and International shows in the UK.

DIVISION 7 - STAFFORDS - LINDA HOGAN

Linda is an avid canary enthusiast, and resides in Wichita, Kansas. She is best known for her complete canary handbook entitled "Canary Tales." She has numerous canary articles that have appeared in a verity of avian publications in the United States. Some of her articles have appeared in Cage and Aviary and the Border Convention Journal in the United Kingdom and publications throughout the canary world. She enjoys judging both type and colorbred canaries and is a panel judge of the Stafford Canary Club of America, the National Colorbred Association, and the Old Varieties Association. She has judged at a number shows in the United States, Canada, and Puerto Rico. Linda, a medical technologist and blood bank specialist, is a tenured assistant professor at Wichita State University where she teaches medical immunology and a number of courses in transfusion medicine

DIVISION 8 - COLORBRED-LIPOCHROME – GUISEPPE LELO

I have been a breeder of Colored Canaries since 1979. World Champion and winner of over 250 international titles. I am a member of the National Federal Committee to 2019 and Vice President of COM to 2020. National President of FOASI from 2019 – 2023 and member of UOM Steering Committee. National Judge since 1997; International Judge since 2009.

I have judged and supervised over 400 competitions in Italy, Spain, Portugal, Belgium, Holland, Cyprus, Argentina and Uruguay, including World Championships, International Exhibitions and National Championships.

DIVISION 11 - FINCHES AND SOFTBILLS - NIZAM ALI

Hello, my name is Nizam Ali. Born on the picturesque Island of Trinidad in the Caribbean, I moved to the United States at a young age. My journey included three years of dedicated service in the United States Army, followed by a blessed married life spanning 48 years and the joy of raising three wonderful children.

Over the years, my birds have graced various shows, earning numerous accolades. A significant milestone in my avian journey was leading the New York Finch and Type Canary Club as its president. My dedication to aviculture was further recognized in 1998 when I became an NFSS Panel Judge. Since then, I've had the privilege of judging numerous bird shows across the country.

Now, as a full time bird breeder and retired Auto Master Technician from Federal Express, I cherish the time spent with my family and feathered friends. My journey in the world of birds continues with the same passion and commitment that began years ago in the West Indies.

DIVISION 12 - PARROTS - JIM HEFFERNAN

I'd like to thank the National Bird Show and the North American Parrot Society for the honor of judging this year.

I have been keeping birds for almost four decades now, starting at the age of twelve while I was growing up in Ireland. I have raised and exhibited all kinds of birds from finches to cockatiels to several species of hookbills.

I was a founding member and judge of the Irish ZFS and Irish foreign bird club. Judging in Ireland at age 20, I had the privilege of judging many of the large shows there. When I moved to the United States in the late 1990s, I quickly became involved in the hobby stateside - judging for the North American Parrot Society and the National Cockatiel Society. I look forward to the shows, and rekindling old friendships, while making new ones along the way.

MEET YOUR 2024 NBS JUDGES

DIVISION 13 - RARE & EYERING LOVEBIRDS - SAM GIBBS

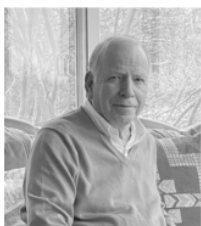

I started keeping Lovebirds in 2006 when I lived in the Netherlands. What started with a single tame bird quickly became a serious passion, borderline addiction! Throughout the years I focused primarily on the masked lovebird (*Agapornis personatus*). I strived to breed quality birds through my own bloodlines and focused heavily on wild-type birds.

I quickly became obsessed with genetics and mutations and spent a long time reading everything I could get my hands on and attending lectures/seminars. Any given chance to help unravel the many mysteries was taken without hesitation. A few years later I became a volunteer for the BVA, the Belgian Lovebird society in Belgium. In 2016 I became a BVA International Judge. I like writing articles, especially about genetics and the conservation of our captive birds. I have been blessed to be able to visit many amazing countries around the world to judge exhibitions and give lectures/seminars.

Recently I moved back to my homeland of England and had to part with my birds when I moved back. I have tried to remain active though, and as soon as I have my own place, I will be welcoming Lovebirds back again! The question is ... what species?"

DIVISION 14 - PEACHFACED LOVEBIRDS - MIKE MILLER

I am honored to judge your beautiful love birds at the NBS once again. I became a love bird judge in 1990 and have enjoyed judging many, many nice birds throughout the country and Puerto Rico. Also, it has been an honor to judge at two AFA annual conventions. I had the pleasure of winning the Love Bird Division at the NCBS several years ago. Additionally, I have had the privilege of holding the Chairman's position in ALBS for several years as well as being on the select committee in the 1980's that defined the Fischer's and Masked species for our exhibitors.

The most significant accomplishment of all this is the wonderful like-minded bird people I have befriended and all the beautiful birds I have enjoyed seeing and judging. My time spent in our hobby has been an irreplaceable part of my life. Best of luck to everyone!

MEET YOUR 2024 NBS JUDGES

DIVISION 15 - COCKATIELS - LAURA TINKER

Laura's first birds were cockatiels in the mid-80's, and today she keeps a collection of finches, canaries and hookbills. She began showing birds in 1993 and over the years has made top bench at the National with finches, lovebirds and five canaries. She won her first Higgins in 2016 in the Finch and Softbill division. She has judged cockatiels with NCS since 2012 and is also judge of parrots with NAPS and a long-time judge of finches and softbills with NFSS. She has judged birds in and around the United States, Puerto Rico and Canada. Some assignments have included judging NBS for both

finches and parrots, the Canadian National Bird Show for finches, the NCS Cockatiel specialty show, and AFA shows for finches, cockatiels and parrots. Laura is originally from Massachusetts and has made New York state her home for the last 24 years. She has a Bachelor of Science degree in Animal Science and works in the healthcare diagnostics industry. Laura is honored to serve NBS and the National Cockatiel Society as the 2024 Cockatiel division judge. She looks forward to seeing a delightful variety of cockatiels this year along with new and old friends at the one and only National Bird Show.

DIVISION 16 - AMERICAN SINGERS - LAURA SCHWANOF

Laura has been raising birds since 1982, when she accepted a gift of 2 zebra finches from a well-meaning friend, and her flock rapidly multiplied! Laura showed her finches and won an award the first year, which ignited her show season fever. At that first Astoria bird show in Queens, New York, she became entranced by other canaries that were singing under sheets in the holding room. Once Laura sat in the American Singers judging room and listened to their lilting songs, no other canary could compare. A life-long love affair with American sing-

er canaries started in 1989, when she raised and banded her first ASC babies. Laura studied ASC song intently during each show. Trained by Dan and Marsha Feduk, and mentored by ASC judges Danny Iacovonne and Tad Rykojc, Laura achieved her judgeship in July 1997.

Besides raising American Singer Canaries for 35 years, Laura enjoys gardening, drawing, fishing, reading, and spending time outdoors. She is a professional Landscape Architect and trained Ecologist and focuses her efforts on habitat restoration.

DIVISION 17 - GERMAN ROLLERS- STEVE BILLMIRE

Steve Billmire is originally from the SF Bay Area, residing in Hayward and Fremont for 50 years. He is an active aviculturist who starting with the birds at the age of 9. As a youth, he raised Roller and Homing Pigeons outdoors and flew the birds after school with friends.

He currently resides in Nor Cal Sierra Foothills region, in Sutter Creek CA. His aviaries are home to over 100 German Roller Canaries and Color Bred Melanin Red Factors. He is an activist for the promotion and improvement of the German Roller Song Canary. He is a member of the Oakland International Roller Canary Club (OIRCC) and President of the Central States Roller Canary Breeders Association. He supports the local California Canary Clubs and Shows each year. He is an active exhibitor of both German Rollers and Red Factors who enjoys the competition of the fall Birds Shows.

In 2009 he received his Roller Canary Judge Certification from the Central States Roller Canary Association. He enjoys open discussion and education regarding the Roller Canary Song with all fanciers. Following completion of the Roller Show Judging he enjoys holding Song seminars which are designed to stimulate open discussion and educate new Roller Canary fanciers on the basics and complexities of the Roller Canary Song. He has been trained and mentored by many well known Roller Canary Breeders and Judges such as Jim Naquin, Sam Barr, Dan Agrella, Fred Probstel, David Bopp and Linda Hogan. His current passion includes the propagation of quality Intensive colored German Rollers, also Green and White Roller Canaries. During the last few years, he has successfully brought back the Intensive feather to the German Rollers Canary, a characteristic which has been lost in the Rollers over the past 30 years. Steve is honored to Judge the Rollers at this year's Show and considers this an opportunity to learn further and see and hear good birds and rejoin with old friends.

"What's wrong with that poor little bird?" "Is it supposed to look that way?" "That one has curly feathers and this one is all hunched over." "They are really cool!!!!" "What do you call them and where can I get them?"

Join the Old Varieties Canary Association (OVCA) and learn more about these Beautiful and Unusual Canaries. Find them at www.ovcaus.org.

Old Varieties Canary Association (OVCA)

Our Purpose is:

To Promote Breeding and Exhibition

Benefits of Membership:

Attending the Annual Meeting and Networking with Top Breeders throughout the USA. Purchasing leg bands and attending Educational Seminars presented by Experts that give the "ins and outs" of each breed. Our Seminars are held in conjunction with the National Bird Show. OVCA award rosettes or medallions are available for your local shows upon written request. OVCA gives a Special Award to the Best Old Variety Canary in our Division; "The Coveted Harold Sodamann Award".

Don't wait any longer. Join us today and attend the OVCA Annual Meeting on Saturday; time and location will be posted at the venue !!!

Special Note : Please use the 2022 or 2023 Catalogs to classify your birds as classification changes were made in 2022.

Another Note – There will not be an Educational Seminar this year on Thursday evening.

DIVISION 15 – COCKATIELS (cont'd)

ADVANCED SECTIONS

Legend:

Birds showing spots on the head, neck, etc. are to be shown under the regular class within that section.

+ Clear Pies only - with 98% or higher (yellow and/or white) pied wash.

* ALL COMBINATIONS - Birds showing only ONE Rare Mutation are to be shown under that mutation class. For example, a Silver Pied and a Whiteface Silver are all shown under the Silver Class.

**AOV Rare - Birds showing multiple rare mutations, a new mutation, or a mutation not listed are to be shown under the AOV Rares. For example, a Fallow Pied is shown under Fallows, a Yellowcheek Fallow is shown under the Any Other Rare class.

Young refers to any bird with the current year's band.

When completing Show Entry forms - all this year's banded birds will be in a Class with an even number.

"Best of the Best" Competition

**Invites you to Visit our Holding Room at the 2024 National Bird Show for
Information about our Breed and Wonderful Club!**

The American Singers Club was founded in 1934 in Milton, MA by a group of 8 women breeders. The first birds were exhibited in the Boston Show of that year. The name 'American Singers' was adopted by vote of the members after the first show.

This breed has been standardized and is the only American bred canary known as the 'AMERICAN SINGER'. Our breed is a Song Type Canary bred according to a systematic plan, through the blending of Roller to Border Fancy over a period of years to produce a Canary that has (1) an outstanding free harmonious song, pleasing to the ear, neither too loud or too harsh, with plenty of Variety; and (2) a beautiful shape or type not over 5-3/4 inches long with tight feathers that will please the average home love of canaries. Many have called their birds 'AMERICAN SINGERS', but only birds bred to our plan are GENUINE AMERICAN SINGERS.

Our Model and 100 Point Score Sheet was adopted in 1943 along with instructions for Judges and are used at all shows where AMERICAN SINGERS are shown. Only Official Judges may be used where the American Singer Club, Inc. gives patronage.

Our SEAL was designed by Charles Radocy with the help of Mrs. Small, then President, and by Mr. Lucias Armitage. Our MODEL was first designed by Mr. Welty and changed to the present model by vote of the members through the efforts of Chapter 2 in Boston, MA.
