Greetings!

Our **76th National Bird Show** will be held on November 14-17, 2024 in beautiful Knoxville, Tennessee. The National Bird Show is your **"Show of Shows"** and we continue to be the biggest and best show of the exhibition season!

Each year, the National Bird Show stages over 18 Divisions of Canaries, Song Birds, Finches, and Exotics of every species. Thousands of birds of the highest quality are exhibited. The National Bird Show is also the meeting and gathering place for over 25 Specialty Societies and their members.

We are now working on the Annual Show and Exhibition Catalog and invite you to place your advertisement in this year's catalog. This is one of your best opportunities to advertise and reach exhibitors, pet owners, and everyone interested in all facets of the hobby.

Many of you have advertised in the catalog in the past and this is a fabulous opportunity for those who have not. It is a very affordable means for you to connect with others that share your passion. Your advertising dollars are an important source of funding for our event and they help defray the costs of many vital components of the event. Please consider renewing your ad or placing a new ad in this year's catalog.

Attached is our advertising form. Please send your "Artwork Ready" ad, completed form, and payment to Wendy Edwards, [carolinaflight@aol.com](mailto:carolinaflight@aol.com) and/or mail it to her at the address on the form by **July 15th**. Payment can also be made directly through our website at [www.ncbs.org](http://www.ncbs.org) Venue and hotel information will be posted directly to our website.

Your NBS Board is working vigorously to bring you the 76<sup>th</sup> Anniversary National Bird Show event. Your participation and continued support are greatly appreciated and helps make this event possible!

Please join us in Knoxville, Tennessee and help us celebrate the **76th anniversary** of the National Bird Show!

Warmest regards,

*Frank Horan*

Frank Horan, President  
National Bird Show
