Greetings!

The 74th Annual National Bird Show is being held on November 10-13, 2022 at the DoubleTree by Hilton Hotel Tulsa Downtown, 616 West 7th Street, Tulsa, Oklahoma. The National Bird Show, "*The Show of Shows*" continues to be the pinnacle of the show/exhibition season!

Each year, NBS stages over 18 Divisions of Canaries, Song Birds, Finches, and Exotics of every species. Thousands of birds of the highest quality are exhibited. The NBS is also the meeting and gathering place for over 25 Specialty Societies and their members.

We are beginning the planning and layout of our 74th Annual Show and Exhibition Catalog. We would like to invite you to place your advertisement in the catalog. This is a fantastic opportunity for you to advertise to both the specialist, as well as cover the spectrum of all species.

Many of you have already taken advantage of placing your ad but many of you have not. It is a very affordable means for you to connect with others that share your passion. Please consider renewing or placing a new ad in this year's catalog.

On the back of this letter is our advertising form. Please send your "Artwork Ready" ad, completed form, and payment to the address on the form by **July 15th**. We will not follow up with another mailing so please place your ad today!

Please join us in Tulsa, Oklahoma and show your support for the National Bird Show!

Yours in the Hobby,

Gary Morgan

Gary Morgan, President
National Bird Show

NBS Show Catalog is a Collector's Item that is distributed to all the Members, Exhibitors, and Spectators purchasing catalogs at the show.

(919) 219-8444

If you placed an ad in 2021, you have the option to run the same ad or you may place a new or updated ad. Contact Wendy, mail her a check and let her know what page it is found on.

All ads need to be in electronic format. We can accept MS Word documents, bmp, jpg, and pdf files. An electronic ad provides a much better printed copy of your ad than a scanned image.
